## POLICIES:

DUE TO THE CURRENT PANDEMIC,  
CLINIC FEES ARE NON REFUNDABLE,  
UNDER ANY CIRCUMSTANCE.

We have created a special schedule for Fall 2020 to address the COVID-19 pandemic and ongoing requirements for Indoor Businesses in the State of Maryland. This schedule was created due to the uncertainty of COVID-19 restrictions in the coming months.

Students who are registered and participating in a clinic will continue to have first priority to keep their spot for the next session.

THANK YOU FOR YOUR PATIENCE AS WE CONTINUE THROUGH THESE UNCERTAIN TIMES. Our #1 Priority is the safety of our students and our instructors.

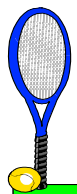

*Continue to stay updated on programs, announcements and important information by following us on Facebook. ALL news and information will be posted there first! Make sure your notifications are "on" and follow: BETTER TENNIS, LLC & ELKTON INDOOR TENNIS!*

Summary of Better Tennis LLC Clinic Procedure Modifications per State of Maryland/ Gov Hogan/CDC/USTA Recommendations: (full list can be found at our Facebook page and will be emailed to registered students):

- Maximum 4 students and 1 instructor per court.
- Participants may choose to wear a mask or not during class time ON COURT
- Masks must be worn at all other times in the building and in between courts. Instructors must wear masks at all times.
- Maintain 6' social distance at all times possible, indoors and out.
- Only bring necessary items onto the court--please leave bags in your car and arrive dressed to start playing.
- Please wait in or at your car until it is time for your clinic--there will be an additional time for students to leave the building before the next class enters the building. This is due to Maryland's indoor requirement of one-way traffic flow.
- There will be no spectator or sitting areas until Maryland eases restrictions on indoor facilities.
- Payments will ONLY be done electronically and via phone or fax prior to your session.
- DO NOT COME TO THE FACILITY IF YOU ARE FEELING ILL OR HAVE BEEN EXPOSED TO COVID-19!

## \*\*\* COVID-19 Information \*\*\*

Clinic spots are extremely limited during the Fall 2020 session, due to COVID-19 Restrictions on Indoor Facilities in the State of Maryland. First priority had to be given to those students who already paid for classes when we were forced to close in March.

Please see the "COVID-19 Modifications" section of this flyer for the adjustments we have made for the current sessions to comply with the State of Maryland's Road to Recovery plan and to protect our students.

**Your safety is our #1 Priority, as we open our doors and get back on the court!**
